

# DR. JULIAN L. WICHMANN, MD

**Board-certified radiologist  
Founder and CEO of Algea Care**

## BACKGROUND

Dr. Julian Wichmann, MD, is the CEO of Algea Care, the first and leading platform for telemedically supported and evidence-based medical cannabis therapy in Germany. In the course of his activity as a physician in the medical emergency service, Dr. Wichmann was frequently and firsthand confronted with the deficits in the treatment of chronic pain patients. In 2020, Dr. Wichmann founded the company Algea Care in order to specifically address and improve the care situation in both this field and other chronic diseases through proprietary solutions such as digitally accessible natural medicine.
