

WILEY

Free Publishing Webinars: How to Get Published in an Academic Journal

13 - 20 April 2021

Join our free publishing webinars in April, especially for early career researchers.

These webinars will teach you various skills, including how to find the right journal, how to prepare and promote your work, and publishing tips across these subject areas:

- Chemistry
- Business and Finance
- Life Sciences
- Engineering and Physics

To find out timings for each event and to sign up, click below!
